IFM-Solutions (www.ifm-solutions.com) Website and Online Tutorials

Privacy Policy

Online tutorials registration section requires the user to provide ifm-solutions with contact information to enable a subscription account.

The information provided to IFM-solutions is to contact the user regarding subscriptions and administrative matters.

IFM-solutions does not sell, rent or exchange user information.

Security

The security of this website and your contact details are of great importance to IFM-solutions. Although reasonable security measures are in place to protect the loss, alteration or misuse of your contact details, we make no assurances about our ability to prevent any such loss, misuse or alteration and we shall have no liability.

We cannot guarantee that your access to the online tutorials site is completely secure.

You should promptly notify IFM-solutions if your account, user name or password has been stolen.
